1號發電機防音罩 1號發電機引擎	 A photograph showing the engine compartment of generator #1. A large, light-colored, conical soundproofing cover is positioned on the left side of the engine. The engine itself is a complex mechanical assembly with various pipes, hoses, and components visible. The entire unit is housed within a green-painted metal enclosure.	
2號發電機控制盤 2號發電機頭	 A photograph of the control panel for generator #2. The panel is a grey metal cabinet with a control panel on top. The control panel features several analog gauges, a digital display, and various control buttons and switches. A yellow warning label is attached to the right side of the control panel. The cabinet has the handwritten number "#1" and "2-16" on its front. The generator head is partially visible behind the panel.	
2號發電機防音罩 2號發電機引擎	 A photograph showing the engine and soundproofing cover for generator #2. Similar to generator #1, a large, light-colored, conical soundproofing cover is positioned on the left side of the engine. The engine is a complex mechanical assembly with various pipes and hoses. The unit is housed within a green-painted metal enclosure.
